

# Nebraska Pharmacists Association (NPA)

## 2010 Annual Convention Schedule

Sponsored in part by the Nebraska Pharmacy Foundation (NPF)

### FRIDAY, June 11, 2010

8:15 am – 8:30 am – Welcome, NPA President, Samuel C. Augustine, PharmD, RP

**8:30 am - 9:30 am The Management of Post-Operative Pain**

UAN #128-000-10-059-L01-P / 1.0 CPE Credit Hour

**Amy M. Pick, PharmD, RP, BCOP, Assistant Professor, Pharmacy Practice, Creighton University School of Pharmacy & Health Professions**

Program Objectives:

1. Select an appropriate opioid analgesic based on the assessment of the patient's pain and understanding of the medication's safety.
2. Develop a plan to optimize analgesia by altering the route of administration, dosing of medication or selecting alternate agents.
3. Identify barriers that may hinder effective pain management.

**9:30 am – 10:00 am Break with Exhibitors**

**10:00 am – 11:30 am Top 10 New Drugs**

UAN #128-000-10-060-L01-P / 1.5 CPE Credit Hours

**Creighton University School of Pharmacy PharmD Candidates: James Scott Christoffersen, Elizabeth A. Doyle, Roger L. Mattson, Amanda L. McGrath-Kelly, and Carin T. Van Dyke; and University of Nebraska College of Pharmacy PharmD Candidates: Jolyn N. Anderson, Matthew P. Crotty, Jeremy M. Gieseke, Sara E. Grismer, and Shane A. Halouska.**

Program Objectives:

1. Identify the top ten new drugs of 2010.
2. Describe each drug's role in therapy.

**11:30 am – 1:00 pm Lunch with Exhibitors**

*Lunch provided by Teva Neuroscience*

**1:00 pm – 1:45 pm Parkinson's Disease Registry**

UAN #128-000-10-061-L04-P / 0.75 CPE Credit Hour

**Jill R. Krause, Data Coordinator, Nebraska Parkinson's Disease Registry, Nebraska Department of Health & Human Services, Public Health/Health Statistics**

Program Objectives:

1. Describe the history of the registry and collection of data.
2. Review basic statistics of uses of the registry data.
3. Explain the challenges and future plans of the registry.

**1:45 pm – 2:00 pm Break**

**2:00 pm – 3:00 pm The Treatment of Parkinson's Disease**

UAN #128-000-10-062-L01-P / 1.0 CPE Credit Hour

**John M. Berti, MD, PhD, Director, Parkinson's Disease Clinic, and Professor, Neurological Sciences, University of Nebraska Medical Center**

*Sponsored by Teva Neuroscience*

Program Objectives:

1. Describe the pathophysiology of Parkinson's disease.
2. Identify the treatment of Parkinson's disease.

**3:00 pm – 3:15 pm Break**

**3:15 pm – 4:15 pm Insulin 101**

**UAN #128-000-10-062-L01-P / 1.0 CPE Credit Hour**

**Lisa M. German, PharmD, RP, Pharmacy Practice Resident, VA Nebraska-Western Iowa Health Care System**

Program Objectives:

1. Describe clinical considerations when starting insulin.
2. Review current insulin therapies available.
3. List differences between basal and bolus regimens – dosing guidelines.
4. Describe caveats of individual insulin products.

**4:15 pm – 4:30 pm Break**

**4:30 pm – 5:30 pm Remote Pharmacy Practices**

**UAN #128-000-10-064-L04-P / 1.0 CPE Credit Hour**

**Kenneth A. Kester, PharmD, RP, JD, Pharmacy Team Leader, Compliance Officer, Nebraska Heart Hospital**

Program Objectives:

1. Explain how remote pharmacy works.
2. Describe state and federal laws regarding remote pharmacy practices.

**5:30 pm – 7:00 pm Pharmacy Social**

*The NPA Annual Convention is designed for pharmacists in all practice settings who play critical roles in the care of patients and is sponsored by the Nebraska Council for Continuing Pharmaceutical Education (NCCPE). NCCPE is accredited by the Accreditation Council for Pharmacy Education (ACPE) as a provider of continuing pharmacy education. These CPE sessions are Knowledge based activities. Credit must be earned by the participant. Participants may earn up to 5.75 contact hours of continuing pharmacy education (CPE) credits for attendance of the entire CPE activity and the completion of an educational evaluation form for each CPE session attended. For questions about CPE Statements of Credit, call NCCPE at (402) 420-1500.*

# Nebraska Pharmacists Association (NPA)

## 2010 Annual Convention Schedule

Sponsored in part by the Nebraska Pharmacy Foundation (NPF)

### SATURDAY, June 12, 2010

8:15 am – 8:30 am – Welcome, NPA President, Samuel C. Augustine, PharmD, RP

8:30 am – 10:00 am Treatment Guidelines

***Cholesterol Management & ATP-III Guidelines***

UAN #128-000-10-066-L01-P / 0.75 CPE Credit Hour

**Chad Bartholomew, PharmD, RP, Pharmacy Practice Resident, VA Nebraska-Western Iowa Health Care System**

Program Objectives:

1. Describe treatments for managing cholesterol.
2. Explain the new ATP-III guidelines for cholesterol.

**Speaker #2 9:15 am – 10:00 am**

***Hypertension Management & JNC-VII Guidelines***

UAN #128-000-10-067-L01-P / 0.75 CPE Credit Hour

**Jamie N. Herrmann, PharmD, RP, Pharmacy Practice Resident, VA Nebraska-Western Iowa Health Care System**

Program Objectives:

1. Describe treatments for managing hypertension.
2. Explain the JNC-VII guidelines for hypertension.

10:00 am – 10:30 am **Break**

10:30 am – 11:30 am Lifestyle Medicine in Pharmacy Practice

UAN #128-000-10-068-L04-P / 1.0 CPE Credit Hour

**Thomas L. Lenz, PharmD, RP, MA, PAPHS, Associate Professor of Pharmacy Practice; Director, Pharmacy Distance Pathway; and Clinical Director, Creighton Cardiovascular Risk Reduction Program, Creighton University School of Pharmacy & Health Professions**

Program Objectives:

1. Review the lifestyle medicine guidelines for the general population as well as for patients with specific chronic conditions.
2. Identify risk assessment tools to assist pharmacists in management of a patient's chronic conditions with lifestyle medicine.
3. Compare the effectiveness of drug therapy to lifestyle medicine for the management of chronic conditions.
4. Discuss pharmacokinetic and pharmacodynamic interactions between exercise and certain medications.

10:30 am – 11:30 am Medication Errors (Pharmacy Technician Program)

UAN #128-000-10-071-L04-T / 1.0 CPE Credit Hour

**Elina V. Pierce, MSP, CPhT, Program Chair/Instructor, Southeast Community College, Beatrice**

Program Objectives:

1. Define medication error and identify types of errors.
2. Describe behaviors or lack of behaviors that contribute to medication errors.
3. Describe how medication errors are monitored.
4. Identify ways to prevent errors.

11:30 am – 1:30 pm **Lunch, Membership Meeting & Awards Program**

*Sponsored in part by Pharmacists Mutual Companies*

**1:30 pm – 2:30 pm Risk Management for Pharmacists & Pharmacies**

**UAN #128-000-10-072-L04-P / 1.0 CPE Credit Hour**

**Edward M. DeSimone II, RP, MS, PhD, FAPhA, Professor of Pharmacy Sciences and Director of Continuing Education, Creighton University School of Pharmacy & Health Professions**

Program Objectives:

1. Describe the three major categories of errors that are responsible for all medication errors.
2. Describe the concept of risk management and its role in pharmacy practice.
3. List at least three types of risk management procedures that can be utilized in a pharmacy practice setting.

**2:30 pm – 2:45 pm Break**

**2:45 pm – 3:45 pm Pharmacy Mortar Bowl**

**UAN #128-000-10-072-L04-P / 1.0 CPE Credit Hour**

**Edward M. DeSimone II, RP, MS, PhD, FAPhA, Professor of Pharmacy Sciences and Director of Continuing Education, Creighton University School of Pharmacy & Health Professions**

Through the process of answering a selected group of questions similar to those that one would experience on a national board exam the pharmacist shall be able to:

1. Identify effective self-care treatments for patients.
2. Provide information about the top 200 drugs.
3. Calculate the amount of drug or excipients needed to compound and/or dispense a prescription.
4. Explain the actions a pharmacist should take based on federal or state law.
5. Answer questions concerning the relationship of this information to pharmacy practice.

**3:45 pm – 4:00 pm Break**

**4:00 pm – 5:00 pm Nebraska Pharmacy Law**

**UAN #128-000-10-070-L03-P / 1.0 CPE Credit Hour**

**Ronald J. Hospodka, RP, MS, MBA, Special Assistant to the Dean for Professional Affairs, Associate Professor of Pharmacy Sciences, Creighton University School of Pharmacy & Health Professions; and Charles H. Krobot, PharmD, RP, Associate Dean for Student Affairs, Assistant Professor, University of Nebraska Medical Center College of Pharmacy**

Program Objectives:

1. Explain the importance of practicing pharmacy within the law.
2. Describe how recent revisions in statutes impact the practice of pharmacy.
3. Describe how recent revisions in regulations impact the practice of pharmacy.
4. Identify future areas of revision in statutes and regulations.

*The NPA Annual Convention is designed for pharmacists in all practice settings who play critical roles in the care of patients and is sponsored by the Nebraska Council for Continuing Pharmaceutical Education (NCCPE). NCCPE is accredited by the Accreditation Council for Pharmacy Education (ACPE) as a provider of continuing pharmacy education. These CPE sessions are Knowledge based activities. Credit must be earned by the participant. Participants may earn up to 5.5 contact hours of continuing pharmacy education (CPE) credits for attendance of the entire CPE activity and the completion of an educational evaluation form for each CPE session attended.
