Risky Business: Assessment of Risk on Hazardous Drugs

The purpose of the United States Pharmacopoeia (USP) General Chapter <800> Hazardous Drugs - Handling in Healthcare Settings is to describe practice and quality standards for handling hazardous drugs in healthcare settings and help promote patient safety, worker safety, and environmental protection. All hospitals and pharmacies are expected to meet the requirements of Chapter <800> by December 1, 2019. If your facility has not yet begun preparation, now is the time to start. Will you be ready?

Dr. Timothy Fensky does not report any actual or potential conflicts of interest in relation to this continuing pharmacy education activity.

The Risky Business: Assessment of Risk on Hazardous Drugs webinar is sponsored by the Nebraska Council for Continuing Pharmacy Education (NCCPE). NCCPE is accredited by the Accreditation Council for Pharmacy Education (ACPE) as a provider of continuing pharmacy education. Earn CPE credit by viewing the recorded video and completing a lesson quiz and evaluation. The NPA provides two opportunities to complete the quiz. You will not receive CPE credit after two failed attempts. Once successfully completed, you will be awarded 1.0 hour (0.1 CEU) of CPE. Log into your NABP e-Profile at MyCPEMonitor.net to access, verify, and print your ACPE CPE Statement of Credit.

Fee includes video and CPE credit submission to CPE Monitor.
