Quit for Good

Nicotine Cessation Counseling Toolkit

Do you want to help your patients quit smoking, but don't know how to get started?

The Nebraska Pharmacists Association is offering a *Nicotine Cessation Counseling Toolkit!* The toolkit was designed to assist the provider in the nicotine cessation counseling process and includes patient assessment tools, interactive worksheets, and patient take-home materials. The toolkit includes information for providers and patients and describes how to bill for counseling services for Nebraska Medicaid patients, as well as enrollment information.

Order the toolkit and receive:

- documents for nicotine counseling services
- documents for health care providers
- documents for patients
- list of additional online resources
